We have a tremendous amount of lost and found that includes jackets, shirts, shoes, school uniforms, and even winter coats! Please check with your student's teacher if your child is missing some things. At the end of this month, we will put together a donation bag with any leftover items.

We are pleased to announce WTPA has joined a new league for the 2022-2023 school year TCAL (Toledo Community Athletic League).

We have some new clubs that will be starting for the 2022-2023 school year here at WTPA.

As we get into the colder months, please remember that WTPA is its own district. Weather delays and closings will be announced via Dojo, Social Media, All Calls, and Local News Stations.

Please continue to send in Lunch Income Compliance Forms if your household has not done so already. This is something we need to have on file to be compliant with the State of Ohio.

Please continue to send in any up-to-date immunizations forms or exempt forms.

WTPA Administration made improvements to our policies and procedures, such as early dismissal and visitors. Letters regarding the changes were sent out to all families. They are posted outside the main office as well.

Check out our chain of commands we have put together to help best assist our students and families in the upmost effective and efficient way.
