

Welcome to Western Toledo Preparatory Academy – Home of the Huskies!

We're excited to welcome you to Western Toledo Prep, a public charter school dedicated to academic excellence and athletic achievement. Located in the Holland-South Toledo area, our school provides a supportive and dynamic environment where students thrive.

Our Mission

At Western Toledo Prep, we focus on the whole child—academically, emotionally, and physically. Through teamwork, sportsmanship, and healthy competition, we help students develop confidence, leadership, and a strong sense of community.

We believe that **family, fitness, and academics** are the foundation of a happy and successful life. Our school day is designed with this in mind:

- **Mornings** are dedicated to core academics.
- **Afternoons** are reserved for physical education, competitive sports, and creative electives like art, all taking place across our 18-acre campus.

Our Approach

- **Academics:** We follow an Ohio Standards-based curriculum, with personalized instruction driven by bi-weekly assessments. This helps us ensure every student is on track—whether they need extra support or are ready to move ahead. Core subjects include English Language Arts, Math, Social Studies, and Science.
- **Fitness & Extracurriculars:** Daily physical education includes health and wellness topics. Students also have the opportunity to participate in competitive sports or explore creative interests through our arts programs.
- **Family Engagement:** We prioritize strong school-family partnerships. Practices and most games take place during school hours, so families can enjoy quality time together in the evenings.

Thank you for being part of our Husky family. We look forward to an inspiring and active school year!
